

PUBLIC DECLARATION OF INTERESTS

General Information

Name:	Alison WALL
Organisation:	EPSRC
Country:	United Kingdom
Body or Committee:	Governing Board
Position:	Member

Declaration

Financial interests including real estate or other property/patents, or assets (shares and/or securities held in companies), grants or other funding which are or could be perceived as related to the domain of activity of the Joint Undertaking, with an indication of their number and value, as well as the name of the company/provider of the grant/funding:

No interests declared

Professional interests (last five years), including posts held in foundations or similar bodies, educational institutions, companies or other organisations (the nature of the post and the name of those bodies shall also be indicated); other membership/affiliation or professional activities held over the last five years, including services, liberal professions, consulting activities, and publications, with direct or indirect pecuniary or material benefits which are or could be perceived as related to the domain of activity of the Joint Undertaking:

Intellectual interests (last five years), including interests of non-pecuniary or material benefit to the individual, arising from professional activities or affiliation with national or international organisations or bodies which are or could be perceived as related to the domain of activity of the Joint Undertaking:

No interests declared

Interests arising from any membership role or affiliation that you have in organisations/bodies/club which might create a conflict of interests in the performance of your duties:

No interests declared

Interests of members of your family/household (e.g. spouse or partner and dependent children living in the same household) which might create a conflict of interests in the performance of your duties:

My partner works in the Scientific Computing Department of the UK Science and Technology Facilities Council (STFC). STFC might occasionally bid for/receive F4E funding.

Any other interests or facts you consider pertinent:

I am employed by the UK Engineering and Physical Sciences Research Council which provides funding for UK research and postgraduate training in fusion for energy. Organisations which we fund through research grants, including the Culham Centre for Fusion Energy, may also bid for/receive F4E funding.

I do hereby declare on my word of honour that the information provided above is true and complete to the best of my knowledge.

Aware of my right to object to disclosure on compelling legitimate grounds pursuant to Article 18 of the Data Protection Regulation, I agree that this information be stored electronically and made publicly available on Fusion for Energy's website.

I understand that I shall submit an updated declaration whenever there has been a change in circumstances with an impact on my interests.
