(Article 62(4) of the Financial Regulation)

2. In the case referred to in point (c) of paragraph 1, the authorising officer responsible shall act in accordance with predetermined procedures established within the Joint Undertaking and shall apply the following criteria which are compulsory and applicable in all circumstances:

Depending on the circumstances of the case, the authorising officer responsible may also have to take the following additional criteria into account:

The authorising officer responsible shall waive recovery in accordance with Article 52.

It shall cover the claim as to principal and the interest due as specified in Article 51(4).

2. The Joint Undertaking shall secure the provisionally cashed amounts by having them invested in financial assets thus ensuring the security and liquidity of the monies whilst also aiming at yielding a positive return.

3. After the exhaustion of all legal remedies and where the fine or penalty has been confirmed any of the following measures shall be taken:

(a) the provisionally collected amounts and the interest and other amounts they have yielded shall be entered into the budget in accordance with Article 62 of the Financial Regulation at the latest during the financial year following the year in which all legal remedies have been exhausted;

(b) where a financial guarantee has been lodged, the latter shall be enforced and the corresponding amounts entered in the budget;

Where the amount of the fine or of the penalty has been increased by the Court, points (a) and (b) of the first subparagraph shall apply up to the amounts of the decision of the Joint Undertaking and the accounting officer shall collect the amount corresponding to the increase, which will be entered into the budget.

4. After all legal remedies have been exhausted and where the fine or penalty has been cancelled or reduced any of the following measures shall be taken:

(a) the amounts unduly collected together with the interest yielded shall be repaid to the third party concerned. In cases where the overall return yielded for the relevant period has been negative, the nominal value of the amounts unduly collected shall be repaid;

5. Where the accounting officer allows the debtor additional time for payment in accordance with Article 64 of the Financial Regulation, this shall be considered as an interruption of the limitation period. The new limitation period of five years shall begin to run on the day following the expiry of the extended time for payment.
