

PERSONAL INFORMATION Rein Kaarli

## WORK EXPERIENCE

|              |  |
|--------------|--|
| 2002 --....  | Research Policy Department, adviser,<br>Ministry of Education and Resesrch, Estonia  |
| 1996 -- 2002 | Secretariat of R&D Council, adviser<br>State Chancellery, Estonia  |
| 1974 -- 1996 | Leading research associate, senior research associate, junior research<br>associate<br>Institute of Physics, Estonian Academy of Science |

## EDUCATION AND TRAINING

|              |   |
|--------------|---|
| 1982         | PhD in Physics<br>Institute of Physics, Estonian Academy of Science |
| 1969 -- 1974 | Diploma in theoretical physics<br>Tartu University, Estonia         |

## ADDITIONAL INFORMATION

|                            |  |
|----------------------------|--|
| Professional Interests     | No interests in the domain of activity of Fusion for Energy.   |
| Projects                   | No involvement in projects in the domain of activity of Fusion for Energy, in particular those for which financial contributions were provided by Fusion for Energy. |
| Memberships                | No membership or other affiliation to professional bodies in the domain of activity of Fusion for Energy (e.g. plasma physics, fusion, etc.).                        |
| Publications and Patents   | No authorship or co-authorship of publications or ownership of patents in the domain of activity of Fusion for Energy (e.g. plasma physics, fusion, etc.).           |
| Other Relevant Information | No contacts with the activities of Fusion for Energy other than through the F4E Governing Board.   |
