First name: Alessia

Last name: VECCHIO

Personnel No. 312751

Function / Unit : Head of Administration

I hereby declare the following interests (if any):

see the categories of interests – in line with Article 8 Col Rules - from next page on. The following categories of interest shall be declared if they are or could be perceived as related to the domain or activity of Fusion for Energy.

Please see also the GDoI Assessment Guidelines and the Implementation Procedure

All pages have to be signed and dated. If the document is completed by hand, please ensure that the information required is presented clearly. If you need more sheets, please use additional blank ones, date and sign each of them and attach them to this Form.

¹ In accordance with the **Governing Board (GB) Decision of 11th June 2014 (F4E(14)-GB29-12.1)** adopting **Rules on the Prevention and Management of Conflict of Interest regarding staff members of the Joint Undertaking ("Col Rules")**, you are asked, in line with Articles 9 (1), to fill in this General Declaration of Interest (GDoI) Form.

I. Past and Present Professional Interests

Professional interests shall be declared covering the last five years, before joining the Joint Undertaking (JU), like any other current professional interest as described below:

Professional interests shall include contractual arrangements or other arrangements entitling the staff member to return to his previous posts or other posts held in organisations, institutions, companies, foundations or similar bodies (the nature of the post and the name of those bodies shall also be indicated) as well as other membership/affiliation or professional activities having been held or being still held, including services, liberal professions, consulting activities, with pecuniary benefits or other benefits, including notably:

- Permanent or temporary employment or work contracted out through consultancy;
- Participation in internal decision-making or advisory bodies (e.g. directorships, board membership, executive or non-executive directorship).

unpaid), which are related to the domain of activity of F4E and which have a direct impact on the staff member's independence and impartiality.

Intellectual interest is often a prerequisite for the scientific excellence and not necessarily considered an undesirable bias. However, it can also have an impact on professional attitudes.

"Intellectual Interests" include rights granted to creators and owners of work that are the result of human intellectual creativity, e.g. publications or in the industrial or scientific domain. They can be in the form of an invention, a manuscript, a suite of software, or a business name (copyrights etc.); unless already covered by point II. "Financial Interests".
