Declaration

Financial interests including any direct financial interest or other property/ patents, or assets (shares and/or securities held in companies), grants or other funding which are or could be perceived as related to the domain of activity of the Joint Undertaking, with an indication of their number and value, as well as the name of the company/provider of the grant/funding:

No interests declared.

Professional interests (last five years), including posts held in organisations, institutions, companies, foundations or similar bodies, (the nature of the post and the name of those bodies shall also be indicated); other membership/affiliation or professional activities held over the last five years, including services, liberal professions, consulting activities, with direct or indirect pecuniary or other benefits which are or could be perceived as related to the domain of activity of the Joint Undertaking:

Director of the Swiss Plasma Center at EPFL
Editor in Chief of the Nuclear Fusion Journal, IAEA
Chair of EUROfusion General Assembly

Intellectual interests including interests of non-pecuniary or material benefit to the individual, arising from professional activities or affiliation with national or international organisations or bodies which might create a conflict of interest in the performance of the mandate:

My career is dedicated to developing plasma physics and technology for the development of fusion as a sustainable energy source, and advancing our knowledge of the plasma state of matter for fusion and for astrophysical applications. As a university professor, I am deeply involved in the education and training of the young generation of fusion and plasma scientists and engineers. I am responsible for the whole Swiss Plasma Center, which hosts the TCV tokamak.

Interests arising from any membership role or affiliation that you have in organisations/bodies/club which might create a conflict of interests in the performance of your duties:

Member and Fellow of the American Physical Society, in particular the Division of Plasma Physics.

Interests (as defined above) of members of your family/household (e.g. spouse or partner) which might create a conflict of interests in the performance of your duties:

No interests declared.

Any other interests or facts you consider pertinent:

No interests declared.

I declare on my word of honour that the information provided above is true and complete.

Aware that the persons covered by the above GDol have a right to object to disclosure on compelling legitimate grounds pursuant to Article 18 of the Data Protection Regulation, I agree that this GDol is made publicly available on the Joint Undertaking's website. I understand that I shall submit an updated GDol whenever there has been a change in circumstances with an impact on my interests.
