

Declaration of Interest

Fusion for Energy will ensure on that your personal data hereby submitted is processed as required by the Regulation (EU) 2018/1725 on the protection of individuals with regard to the processing of personal data by the European Union institutions and bodies and on the free movement of such data. Recipients of this information can process the data only for the purpose of which these were provided to them. The internal recipients at Fusion for Energy which are authorised to receive the data and the rights of the individual are mentioned in the respective Privacy Notice.

Please see also the GDoI Assessment Guidelines and the Implementation Procedure I hereby declare the following interests (if any):

I. Past and Present Professional Interests

Professional interests shall be declared covering the last five years, before joining the Joint Undertaking (JU), like any other current professional interest as described below:

Professional interests shall include contractual arrangements or other arrangements entitling the staff member to return to his previous posts or other posts held in organisations, institutions, companies, foundations or similar bodies (the nature of the post and the name of those bodies shall also be indicated) as well as other membership/affiliation or professional activities having been held or being still held, including services, liberal professions, consulting activities, with pecuniary benefits or other benefits, including notably:

Permanent or temporary employment or work contracted out through consultancy; Participation in internal decision-making or advisory bodies (e.g. directorships, board membership, executive or non-executive directorship).

Yes, in particular

Title	Period of Activity	Company	Description

II. Financial Interests

Any direct financial interests, including ownerships of patents/trademarks, or assets (shares or securities held in companies) or grants or other funding received over the last five years which might create a Conflict of Interest in the performance of duties, with an indication of their number and value, as well as the name of the company/provider of the grant or funding.

This shall notably include the holding of stocks and shares, equity, bonds, partnership interests in the capital of an organisation, its subsidiaries or affiliates (e.g. via a holding arrangement) related to the activities of the Joint Undertaking.

Financial interests need not be disclosed unless they have a market value of greater than 20,000 Euros . Share portfolios need not be disclosed if the management arrangement is in the form of an investment fund or equivalent.

Yes, in particular

Title	Period of Activity	Company	Description
As Shareholder	From 12/30/2015 To 12/31/2020	E2C3 Terraloupe Beteiligungs GmbH	This company was founded to acquire and held shares of the TerraLoupe GmbH, of which it held less than 7% of the shares. Terraloupe GmbH was a Start-up which developed and sold IT solutions in the Geo-Data-Branch. I was a shareholder with (ca. 20.000 EUR) 13% of E2C3 Terraloupe Beteiligungs GmbH That means that I had indirectly equitable interests of ca. 0,9% in TerraLoupe GmbH
			Managing Director of this

Managing Director	From 12/30/2015 To 6/30/2017	E2C3 Terraloupe Beteiligungs GmbH	company (see above). In order to comply with the EU-Regulation these outside activities have been stopped as of 30.6.2017
As Shareholder	From 8/13/2014 To 8/31/2023	Convercus GmbH	My wife and me as Shareholders with increasing values, now ca. 0.45% (ca. 50.000 EUR) of this company This Start-up company develops and sells IT-solutions to Point-of-Sales-Retailers
As Shareholder	From 6/30/2017 To 8/31/2023	Smart Mobile Labs AG	Lender for a convertible bond with 30.000€ (maximum 0.3% of equity). In 2018 it was converted into shares of an AG. This is a spinoff company which transmits video and data via LTE in real time.

III. Intellectual Interests

Intellectual Interests shall include interests of the staff member during the preceding five years, arising from professional activities or affiliation with national or international organisations or bodies (paid or unpaid), which are related to the domain of activity of F4E and which have a direct impact on the staff member's independence and impartiality.

Intellectual interest is often a prerequisite for the scientific excellence and not necessarily considered an undesirable bias. However, it can also have an impact on professional attitudes.

"Intellectual Interests" include rights granted to creators and owners of work that are the result of human intellectual creativity, e.g. publications or in the industrial or scientific domain. They can be in the form of an invention, a manuscript, a suite of software, or a business name (copyrights etc.); unless already covered by point II. "Financial Interests".

None

Title	Period of Activity	Company	Description
-------	--------------------	---------	-------------

IV. Other relevant interest

Any interest/information, relating to the past five years, and not falling under the categories provided above which could be relevant for the purposes of the present Rules.

Yes, in particular

Title	Period of Activity	Company	Description
