GENERAL DECLARATION OF INTEREST

General Declaration of Interest (GDol)

First name: Marc

Last name: Lachaise

Function / Unit : DIRECTOR

Fusion for Energy will ensure that the personal data you hereby submit is processed as required by Regulation (EU) 2018/1725 on the protection of individuals with regard to the processing of personal data by the European Union institutions and bodies and on the free movement of such data. Recipients can process the data only for the purpose for which they were provided to them. The internal recipients at Fusion for Energy authorised to receive the data and the rights of the individual are mentioned in the [Privacy Notice](#).

I hereby declare the following interests:

I. Past and Present Professional Interests

Please declare current and past professional interests during the five years preceding the present declaration.

Professional interests notably include contractual arrangements or other arrangements entitling the staff member to return to previous posts or other posts held in organisations, institutions, companies, foundations or similar bodies (the nature of the post and the name of those bodies shall also be indicated) as well as other membership/affiliation or professional activities having been held or being still held, including services, liberal professions, consulting activities, with pecuniary benefits or other benefits, including notably:

- Permanent or temporary employment or work contracted out through consultancy;
- Participation in internal decision-making or advisory bodies (e.g. directorships, board membership, executive or non-executive directorship).

II. Financial Interests

Any direct financial interests, including ownerships of patents/trademarks, or assets (shares or securities held in companies) or grants or other funding received over the last five years which might create a conflict of interest in the performance of duties, with an indication of their number and value, as well as the name of the company/provider of the grant or funding.

This shall notably include the holding of stocks and shares, equity, bonds, partnership interests in the capital of an organisation, its subsidiaries or affiliates (e.g. via a holding arrangement) related to the activities of the Joint Undertaking.

Financial interests need not be disclosed unless they have a market value of greater than 20,000 Euros¹. Share portfolios need not be disclosed if the management arrangement is in the form of an investment fund or equivalent.

None

Yes, in particular (please fill in the table below):

¹ The value of the held shares is evaluated by using the share price at 31.12. before the year of this Declaration.

III. Intellectual Interests

Intellectual Interests shall include interests of the staff member during the preceding five years, arising from professional activities or affiliation with national or international organisations or bodies (paid or unpaid), which are related to the domain of activity of F4E and which have a direct impact on the staff member's independence and impartiality.

Intellectual interest is often a prerequisite for the scientific excellence and not necessarily considered an undesirable bias. However, it can also have an impact on professional attitudes.

"Intellectual Interests" include rights granted to creators and owners of work that are the result of human intellectual creativity, e.g. publications or in the industrial or scientific domain. They can be in the form of an invention, a manuscript, a suite of software, or a business name (copyrights etc.); unless already covered by point II. "Financial Interests".
