F4E was established on 19th April 2007 and has its headquarters in Barcelona, Spain. The tasks of F4E are as follows:

(a) to provide the contribution of the European Atomic Energy Community (Euratom) to the ITER International Fusion Energy Organisation;

(b) to provide the contribution of Euratom to Broader Approach Activities with Japan for the rapid realisation of fusion energy;

(c) to prepare and coordinate a programme of activities in preparation for the construction of a demonstration fusion reactor and related facilities including the International Fusion Materials Irradiation Facility (IFMIF).

2. The Role and Composition of the Procurement and Contracts Committee

The Procurement and Contracts Committee (PCC) provides the F4E Director with recommendations on the strategies in relation to procurement and grant activities and the award and follow-up of contracts and other related matters. The PCC notably reviews

- important procurements and grants before they are awarded;
- important amendments to existing contracts;
- individual procurement strategies for important procurement or grant procedures;

In addition to the Chairperson, the PCC comprises 5 members appointed by the Governing Board among persons with relevant professional experience in contractual and procurement matters. The members of the PCC are appointed for a period of three years, renewable once, while the Chair is appointed for a period of 2 years, renewable once.

The PCC Chair and members shall not be bound by any instructions and are completely independent in the performance of their duties in the general interest of F4E.

The PCC usually meets around ten times per year, mainly by video conference or at F4E headquarters in Barcelona (Spain).

All written and oral communication of the PCC is in English, which is the working language of F4E.

### 3. Purpose of the Call for Expressions of Interest

F4E is publishing this call for expressions of interest to establish a reserve list from which the Governing Board may appoint new Members and elect the Chair of the PCC. The Chair and new Members of the PCC shall be ready to start working from January 2024.

### 4. Selection Criteria

The Governing Board is inviting expressions of interest from:
