

NAME **Iván Calvo**

WORK EXPERIENCE

- Since 2021 **Research Professor**
National Fusion Laboratory, CIEMAT, Madrid, Spain
- Since 2019 **Head of Theory**
National Fusion Laboratory, CIEMAT, Madrid, Spain
- Since 2026 **Deputy Project Leader, Work Package *Stellarator Activities***
EUROfusion
- 2006–2021 **Research Scientist**
National Fusion Laboratory, CIEMAT, Madrid, Spain
- 2021–2025 **Deputy Task Force Leader, Work Package *W7-X Exploitation***
EUROfusion
- 2019–2020 **Project Leader, Work Package *Stellarator optimisation: Theory Development, Modelling and Engineering***
EUROfusion

EDUCATION AND TRAINING

- 2006 **PhD in Physics**
University of Zaragoza, Spain
- 2002 **BSc and MSc in Physics (Spanish *Licenciatura*)**
University of Zaragoza, Spain

ADDITIONAL INFORMATION

- Publications** Over 100 scientific publications.
- Conferences (selection)** Speaker at the IAEA Fusion Energy Conference, the European Physical Society Conference on Plasma Physics, the European Fusion Theory Conference and the International Stellarator and Heliotron Workshop.
- Honours and awards (selection)** 2013, Young Theoretical Physicist Award, Spanish Royal Society of Physics and BBVA Foundation.
2006, PhD Extraordinary Award, University of Zaragoza.
2003, National Award for Top Physics Graduate in Spain, Ministry of Education.
- Service on Committees** Since 2023, Scientific Committee of the Joint Varenna-Lausanne International Workshop on the Theory of Fusion Plasmas.
2022, European Physical Society Conference on Plasma Physics.
2021, IAEA Fusion Energy Conference.
2015–2021, Programme Committee of the European Fusion Theory Conference.
- Membership in Scientific Societies** European Physical Society, Spanish Royal Society of Physics.
